Scavenger Hunt

Awesome job finishing the quiz! Please Count the number of times you answered each letter and write the total below.

A: B: C: D:

If you had majority A, you are **INTROSPECTIVE**

If you had majority B, you are **Analytical**

If you had majority C, you are **Playful**

If you had majority D, you are **Creative**

Introspective

- Open the door to a miniature adventure | 🐎
- Look for a piece full of curvature and rosy-emerald hues indicative of layered lipstick | 💄
- Sit in contemplation about your appearance as you gracefully look back at your reflection in the company an ambient orange lamp light | 💡

Analytical

- Wearing a glass hat might be a bad idea, but putting it in the gallery can cast an incredible shadow | 🦋
- This “garden” that reaches over your head might make you feel small | 🌿
- Woodcut fields of rich burgundy color create a beautiful, abstract landscape | 🖼️

Playful

- Imagine a world where your hand becomes a canvas where everyday objects and major attractions turn into playful doodles | 🇫🇷
- This object may have started out as a balloon, but it was transformed into something more permanent | 🎈
- Imagine you're looking out at the gallery from a fishbowl | 🐟

Creative

- Finding this delicious painting should be a cakewalk | 🍰
- Your art professor would be proud of how you creatively “glued” these pieces back together | 🏆
- Instead of using your scraps for patches, try creating a collage | ✂️
